## BERRY BURIES RAMS

Blacktown City Demons inspirational skipper Steve Berry, stole the show as his side advanced to next weeks Grand Final after beating Macarthur Rams 2-0 at Jensen Park.

The Demons now face Bonnyrigg White Eagles at Marconi Stadium next Sunday, bringing together the two best sides in this years competition.

Berry, a tower of strength for Blacktown all season long, scored twice for the Demons and was denied a deserved hat-trick in the last ten minutes by a good save from former Demons teammate John Crawley.

"They were good goals by Bezza (Berry)," said Demons coach Alex Robertson. "He stuck out by far today, not only for his goals but his workrate as well."

Berry scored a goal in each half and proved a handful for Macarthur's defence with his runs from deep.

The first goal for Berry came against the run of play in the 34th minute, Berry racing through after a neat pass from Damien Brown, rounding Crawley with ease and slotting home into the empty net.

While neither side really dominated up until that stage, Macarthur did however create a couple of chances.

Stephen Lord, in for the suspended Rams captain Martin Bourke, went narrowly wide with a curling effort from 22 yards in the 9m, while rugged defender Dion Valle had a goalbound header from a corner kick, pushed away by Demons keeper Fernando Greco at full stretch.

Referee Brett Hugo was also not on Macarthur's side in the 30m, when an obvious backpass by Damien Foxe to Greco went unpunished much to the disgust of Macarthur's players who would have been in an excellent scoring position.

But Berry's goal changed the context of the match and within a minute of the kick-off, he nearly had a second goal. His shot deflected wide after racing onto a pass from Damien Brown, who had skipped clear down the left.

Blacktown were now a little more relaxed and were nearly further ahead in the 40m, Brown superbly winning Jon Angelucci's deep cross and shooting past Crawley only to see Valle clear the ball off his line.

Berry, who has agreed terms with Sydney United for the upcoming Ericsson Cup season, scored his sides crucial second goal shortly after the break. Making another run from deep, he raced onto Sarkis Boudaher's perfect pass into the left side of the box and struck a beautiful shot past Crawley and inside the far post.

Two minutes later Macarthur's Matthew O'Shea tested Greco with a long range effort, which the Demons keeper tipped over the bar.

Macarthur now were throwing everything at the Demons defence, which looked tired but desperate to hold out.

O'Shea and the dangerous David Reid had shots safely held by Greco, while up the other end, Ben Blake wasted a good opportunity to finish the game off, allowing Crawley to save with his legs.

Greco, who had looked rather shaky in the opening 30 minutes, made a crucial one-on-one save with nine minutes remaining, stopping Eric Williams shot as he raced into the area unopposed.

Berry could have made it a truly grand day minutes later, when given space in the box but his side-footed effort was blocked by Crawley at close range.

"It was tough out there today," said Robertson. "This was both sides third game in seven days, it was unusually hot and the pitch was a little bumpy."

"The lads were keen for another go at Bonnyrigg and I think we can beat them," Robertson added.

Macarthur's coach Casey De Bruin, said Berry's first goal proved critical.

"I thought up until then we had the better of the play and the back pass decision robbed us of a great opportunity."

"Berry's first goal was against the run of play and that seemed to settle them down."

***Macarthur:*** *Crawley, Lloyd, Valle, Reid, Williams, Rastall, O'Connell, Cummins (O'Shea), Kerr, Whiddett (Minol), Lord (Macerola)*

Earlier Blacktown City's Under 21s and 18s side also advanced to the Grand Final, with 3-0 victories over Eastern Suburbs and Macarthur Rams respectively, making a great day for the club.

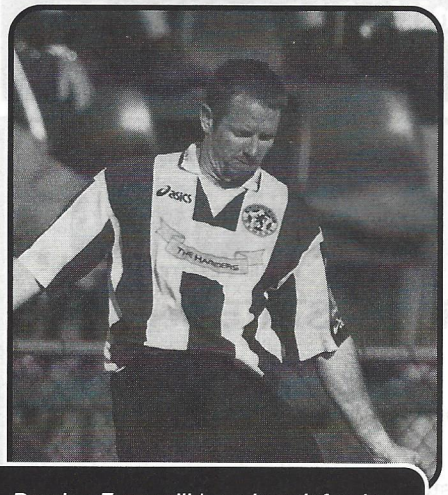
# Signs good for BONNYRIGG

Bonnyrigg White Eagles will go into this week's Grand Final showdown with Blacktown City Demons at Marconi Stadium, with all the signs pointing in their favour.

After capturing the minor premiership ahead of Blacktown by just two points, Bonnyrigg coach John Turner believes his side has the motivation, psychological advantage and most of all, the all round ability, to take out the grand final as well.

Turner admitted to me before watching Blacktown and Macarthur that he would rather meet the Demons than the Rams.

And why wouldn't he as Bonnyrigg goes into the game with a big psychological advantage. In there four meetings this year, Bonnyrigg has won all four games, a big advantage is anyone's book. And apart from the Major Semi Final, they have won each game quite comfortably.



*Damien Foxe will be a key defender for Blacktown on the weekend .*

Wanting to beat Bonnyrigg will be a big spur for the Blacktown players but knowing they have lost each time is sure to play on their minds especially if things are not going to plan.

And that plan will be to get in front early.

One of Bonnyrigg's strengths this season has been its ability to go and win games well once they get in front. But if they get behind they are a little bit more vulnerable and their style of play can sometimes work against them.

Both teams play a different game with Bonnyrigg's game based on quick ball movement, while Blacktown are a little more methodical in their approach.

Bonnyrigg will enjoy the wide, open spaces at Marconi Stadium a lot more than they did at Melita Stadium. Paul Dee and Mark Racker will relish the chance to get the down the line a little more, something they were unable to do effectively in the Major Semi.

Blacktown will no doubt use the width of the pitch and try and get some useful crosses to big Jon Angelucci and Stuart Cleary (if he starts). Angelucci should have a huge influence on the game. If he is on song, Blacktown will be right in their but if he is kept quiet they might struggle in front of goals.

But for me the real battle that will determine the outcome of the game features the two best midfielders in the competition, Paul Richardson (Bonnyrigg) and Steve Berry (Blacktown).

Both are their side's respective captains and both lead by example, giving nothing less than 110% in each and every game.

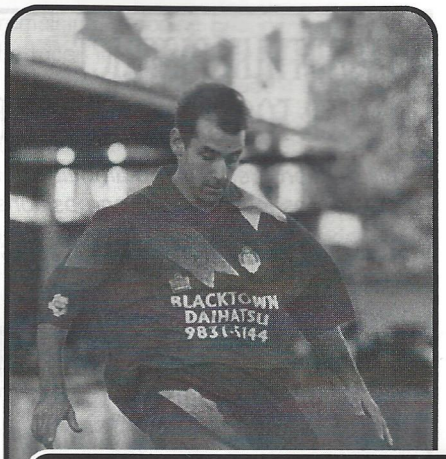
Richardson plays from a deep midfield role and gets forward very well to link up with attack, while Berry plays more as an attacking midfielder.

What sets them apart from other midfielders is their ability to score goals. Richardson has scored ten goals (includes penalties), while Berry scored six in the regular season to go with his two against Macarthur last weekend.

The fact that Richardson will be a little fresher than Berry may have a significant impact on this battle.

Both sides will go into the game near full strength, with the only likely first team regular from either side, that being Pat Bradley (Blacktown), almost certainly will miss the match. He hasn't played for nearly two months and Alex Robertson would probably be reluctant to use him even if he was, through lack of match fitness.

Blacktown's key defender Aaron Holst came off injured against Macarthur but Robertson says he will play in the final.



*Bonnyrigg's Paul Dee could have a huge influence on the result.*

A key problem facing Blacktown has been their hectic schedule of matches leading up to the final. Three games in seven days would have really taken it out of them, while Bonnyrigg will have had a week-and-a-half off.

Finals are always not the prettiest games to watch but everything seems to be falling into place nicely for Bonnyrigg and with their fresher legs, I would expect them to come home stronger and beat Blacktown in what should be one of the better finals in years.

## COACHES SAY

**John Turner (Bonnyrigg)**

"We have been the best side all year."

*"Marconi Stadium will suit our style of play, especially out wide."*

"They have played a lot of football recently, that's definitely an advantage for us."

*"We must shut down Berry and Angelucci if we are to win."*

**Alex Robertson (Blacktown)**

"They are a good side but are definitely beatable."

*"My players can't wait to get another crack at Bonnyrigg."*

"Their dangers are their wide men Mark Racker and Paul Dee. That is where a lot of their goals come from."

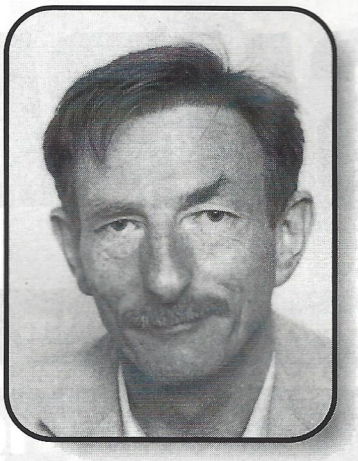
# First Division Weekend Review



# SOPER SEALS IT WITH BULLISH PENALTY

It took the experienced touch of veteran campaigner and player-coach Marshall Soper to put an end to the nonsense at Melita Stadium on Sunday and give the Fairfield Bulls side he coaches a passage into the Grand Final this weekend.

Soper was the last of the five players to take a spot kick for The Bulls in their tense encounter with the Manly-Warringah Dolphins and the last man to touch the ball in this game.

Players from each side had missed, some of them more easily than expected, in the preceding shoot-out shots, but Soper stamped his authority on the occasion with a firm blast right through the centre of the net, giving Manly keeper Rocco Papalia no chance.

The game itself had been one which swayed more often than not in Fairfield's direction, though the Dolphins certainly had their moments and it could easily have gone either way.

Illawarra Lions had earlier made an easy passage into the Under 18 Grand Final with a convincing 4-2 win over Stanmore and the Manly Warringah side had edged out Fairfield 3-1 after the game had taken a while to come to life.

In the first grade fixture Manly had the best of the opening exchanges with Fairfield keeper Angelo Rodic kept busy and forced to parry a cross from the right by Danny Townsend to the feet of Damien Rosenthal. But the Bulls were let off the hook when the Manly striker could not make a clean strike at the loose ball inside the six yard area in the 17th minute.

Townsend also produced another gem in the 23rd when his pile driver shot looked set to give the Dolphins the lead only for a defender to unwittingly get in the way of the long range effort.

At the other end Papalia got down well to smother a header well directed by Ante Zizic after a free kick from deep on the right in the 27th.

A Danny Barbalace shot deflected away from goal off a defender in the 38th was the next Manly opportunity and it looked at that stage as if Manly might have the edge.

Fairfield were buoyed by the unexpected return to the side of Darren locca who settled his differences with the club after being suspended by the committee some weeks ago. Also back from suspension was Rick Giometti and the pair were a most effective combination whose presence grew more noticeable as the game wore on.

It was still the Dolphins, however, who had the first opportunities of the second half. Townsend and Rosenthal again combining well on the right with the acrobatic Rodic in the Fairfield goal coming off his line in time to force Rosenthal into driving his shot just wide of the near post in the 63rd.

Danny Barbalace could not get enough power into his well directed header from outside the box in the 68th leaving Rodic with time to gather the ball down low as it threatened to bounce past him into the goal.

Manly were handicapped because one of their most influential players, Mark Beldham, carried a hamstring strain into the game and could not exert his normal command on the game.

Fairfield had their best chance to seal the win when, in the 73rd minute, a lovely through ball from Sasha Talevski picked out Rick Giometti who went on to face the Manly keeper who came off his line and the resultant shot was ballooned over the bar from right in front.

Manly bounced back again Townsend bursting through on the right and squaring the ball to the middle, intending to reach Rosenthal, who could not reach it and finding Steven Riches instead who was too far beyond the goal to make use of the ball before being closed down.

In the 82nd a great dash down the right by Chris Giometti and an angled shot was well saved by Papalia to leave the teams locked 0-0 at full time.

Having picked up yellow cards in the Wednesday night semi-final Fairfield could have done without some of the needless fouls and it was unfortunate for them that they will now have players missing for the Grand Final as a result of second cautionable offences in this game.

Extra time was a tame affair, but with Fairfield taking the cautious approach electing not to introduce substitute striker Nihad Ahmed, bringing on defenders Mark Abi-Arrage and Franco Cosentino instead.

Manly used all three substitutes, but could make no impression.

In the shoot out Tom Mikulski made a hash of the first attempt by crashing his shot against the underside of the bar and down again on the wrong side of the line.

Rick Giometti, on the other hand, had no problems with his kick which went in nicely for Fairfield.

Greg Walley was tidy with his attempt for Dolphins, but Abi Arrage lashed his shot over the bar to put the scores level again.Steven Riches hit his left footed shot straight at Rodic, but JohnTratselas was then wide with his shot for Fairfield.

Danny Barbalace was then on target for the Dolphins as was Talevski for the Bulls.It was then down to Rosenthal, who missed, leaving fifth taker, Soper, to settle the issue and put the Premiers into the Grand Final.

While it was Manly's first loss in many months, it was only on spot kicks, so the side from the north can carry their heads high after a very strong season in 1998.

# MANLY BEATS HAWKS

The delayed minor semi-final between Stanmore Hawks and Manly Warringah Dolphins was further held up when the Under 21 fixture went to extra time and penalties.

The game was not without incident, but despite a big effort from Stanmore there was only ever going to be one winner as the prolific Eddie Briscoe was well taken care of by the Dolphins' defence.

There was even another distraction for the teams when the lights went out early and the game was delayed, having already kicked off nearly an hour late, so everyone was kept back until almost midnight.

Goals either side of the break stung Stanmore who had looked to have some hope until the Townsend-Rosenthal show got into full swing.

In the 40th Damien Rosenthal fired in a surprise shot from 23 yards which blasted its way past a crowd of defenders and into the Hawks' net.

In the 49th Townsend sped away down the right and skipped past two Stanmore players before laying on a nice pass on the left of the area for Rosenthal who chipped the exposed Paul Kyprianou from close range.

The scoring was completed by Kyle Harris, who got his first goal for the season for the first team, when he received a nice pass from Townsend who was in a position to score himself and elected to provide his team mate with the opportunity instead.

# First Division Grand Final Preview

The big meeting between the first and second placed sides, this year's Premiers and last year's Premiers, should provide a good spectacle at the Gabbie Stadium on Sunday.

Both Fairfield Bulls, this year's success story and the Hurstville City Minotaurs are confident of putting on a big show and the return of Darren Iocca has helped the Bulls re-focus on the possibility of achieving the double. Hurstville couldn't manage the feat last year, despite dominating the competition and many felt that they were much less strong this term.They will be without the services of Louis Dounis and Peter Papouthis, but have good cover and are going to benefit from the ten days rest, not afforded their opponents.

Hurstville mentor Peter Sarikakis, unhappy about the club winning the title in 1997 and not getting promoted, set his sights on winning the Grand Final this season and this has been his target all along.

Fairfield showed in their match against Manly Warringah Dolphins that they can

plan tactically for the big game, but whether they have the answer to the all round talent of the Minotaurs on this occasion remains to be seen.The likelihood is that at least two Fairfield players will miss the game suspended and they could be key players at that.

So the stage is set for an even contest and one which is likely to provide a good curtain raiser for the Super League Grand Final the next day. Having already been beaten in the finals series at home by the Hurstville side the

psychological advantage does rest with Fairfield's opponents on this occasion.

Time will tell if the Premiers can find some missing ingredients which has prevented them scoring in each of their finals series outings and make good their threat to complete a double for their enthusiastic supporters.

## HURSTVILLE DOES ENOUGH TO SPOIL DULWICH HILL'S FINALS' HOPES

Duwlich Hill's season came to a disappointing end after they were beaten by John Gagro's Hurstville ZSC 2-1 in extra-time.

Dulwich Hill had seen their Premiership hopes dashed with draws against Gladesville and Sydney District in the closing stages of the season, leaving them behind Hajduk Wanderers on goal difference.

After last week's confidence sapping defeat to Hajduk, Dulwich Hill were nearer their best again but found Hurstville's well marshalled defence hard to penetrate.

Hill's star player Alex dos Santos was able to give them the lead in the 18th minute when he got his head to a cross from the right by Victor Rebelo at the near post, with a strong finish.

In the 28th minute a Hurstville player's shot was cleared off the line straight to the waiting Bob Simunic. His shot was saved at point blank range by Hill's keeper Peter Trajevski, who was in brilliant form in this match and made a number of telling saves.

But he could do nothing to stop the Hurstville equaliser in the 37th minute.

Simunic split the defence with a good pass from the left byline which saw Steve Milicevic tuck the ball just inside the post as the keeper came out to narrow the angle.

Dos Santos had two chances to restore Hill's lead, the first blocked by a defender and the second saved by Tom Miletic.

Milicevic could then have sealed it for Hurstville in the 75th, after Simunic had provided the though pass the other player steered then ball wide of the post being protected by the keeper.

Dulwich Hill had the upper hand for the first extra time period, but despite strong running by John Sherry, who along with Mark Smith, Rebelo and Barros was best for the Hill on the day, the ball would not go in and it was left to Hurstville to tidy up the win.

A long ball down the left saw Miro Vlastelica outwit Barros and go on to chip the keeper for the winner, with just three minutes of stoppage time remaining.

It was a day of double disappointment for Dulwich Hill as their Under 21s went down on penalties to Greystanes 6-5 after the sides had been locked at 2-2 after extra time. Earlier Hajduk Wanderers took out the Under 18s game to give the club representatives in all three Grand Finals on Sunday, a great feather in the cap for a club which was only formed in its new guise this season.

## SECOND DIVISION GRAND FINAL PREVIEW

This year's Grand Finals marks the first appearance in a 2nd Division Grand Final by the Hurstville side who have been knocking on the door for a long time.

Hurstville have been putting together some good results all season and play a cultivated brand of soccer, with quality passing movements and ball skills a feature.

Their opponents Hajduk Wanderers remain unbeaten, however, and these two sides have drawn both their previous games together this season which allows for a decider to take place at the highest level, in front of what should be a bumper crowd.

They will meet at Ernie Smith Reserve, that suits Hurstville who have never been beaten on the Liverpool ground.

Interestingly Hurstville, apart from their two draws with Hajduk this term, have never lost a game in the club's history to a Hajduk side and must be confident of extending the sequence.

Hajduk on the other hand have not taken their foot off the pedal all season and do look too good on paper.

They are the younger side of the two, with many fine prospects and a bit of class. They are probably the more volatile of the two, but with a little more zest as well, unlike Hurstville who are so confident on the ball that they lull their opponents into thinking that they are only going at half pace.

It should be a good contest wherever it is played and Hurstville players will not lack motivation for this one even if that has been a fault of theirs in some earlier games this season.

Hajduk can carry off the double and for the West Wanderers arm of the club that would be a sweet response to getting relegated last season as they make claim for promotion back to the First Division they left last September.

# Teenage Revolution

**By Barry Davis**

Well, at last here we are at the business end of the season. It has been a long year and I'm certain the rain has made it much longer for some, with postponed matches all over the place.

This has surely been one of the most competitive season in the Youth League competitions at every level and that is a sign that the game is improving with each passing year. The future is looking good if we can produce young players of quality through this system.

Congratulations go to the teams which have made it into the top four and to their opponents who have given their all to make sure that nothing was easy for any team in the League.

## SUPER YOUTH LEAGUE

Sydney Olympic have finished on top of the combined table, fourteen points clear of nearest rival Gladesville-Hornsby. Parramatta Eagles finished third and Southern Districts were placed fourth. Newcastle Breakers have performed very well to be fifth in their first season. Unfortunately for Manly Warringah and Eastern Suburbs they will be relegated back to Division One.

In the 13s Olympic came very close to creating history by being the first team to complete the Super Youth League season undefeated but they stumbled at the final hurdle, losing to fourth placed Gladesville in their last match. However, Olympic finished as Minor Premiers, a massive twenty-three points in front of Sutherland Association who claimed second place on goal difference from Parramatta Eagles.

The 14s was a much tighter competition with Southern Districts taking first place by three points from Olympic and Gladesville with the former having the better goal difference. Blacktown City came in a distant fourth.

Goal difference was the determining factor for the top spot in the 15s with Olympic finishing ahead of Parramatta Eagles. They were closely followed by Gladesville and then Leichhardt Tigers.

Parramatta clearly won the 16s by sixteen points and Southern Districts finished a single point ahead of Newcastle Breakers who finished the competition with a flourish. Gladesville rounded off the top four for this age group.

The last week of the competition was a heart stopping affair with just about everyone desperate for the points on offer for varying reasons.

Olympic must have been a bit nervous when the visited Breaker Stadium for mid-week rescheduled matches against Newcastle because they only managed to collect five points from the matches when more would have been expected. Their only winners were the 14s, while the 13s and 15s both drew and the home side won the 16s.

Things clearly did not go Olympic's way on Saturday either as they could only manage to take four points from Gladesville at Potts Park. They could only take the full points in the 16s which was a little surprising and they grabbed the other point through a draw in the 14s. Gladesville inflicted the only defeat of the season on Olympic's 13s by two goals to nil and their 15s suffered the same fate.

Newcastle took seven points from Blacktown City at Breaker Stadium on Saturday through wins in the 13s and 16s and a draw in the 14s. The Demons won the 15s by the odd goal in three. They then played against Manly Warringah on Sunday to earn another seven points via wins in the 15s and 16s plus a draw in the 14s.

Blacktown had to back up again on Sunday for rescheduled matches against Macarthur Rams at Francis Park. They reaped eight points from the encounter with wins in the 14s and 16s and draws in the other two age groups.

On Saturday the Rams had taken all twelve points from relegated Eastern Suburbs in the club's best ever day in Super Youth League. They scored nine goals without reply with two each in the 13s, 15s and 16s and a treble in the 14s.

Wollongong City took on Marconi at Brandon Park on Saturday and they had to be content to share the points evenly. Marconi started off well with a win in the 13s but the Wolves responded with a victory in the 14s. The visitors got themselves in front again in the 15s but the home team evened things up again in the 16s. The same pattern emerged on Sunday when Wollongong hosted Leichhardt Tigers. The Tigers took the full points in the 13s and 15s while the Wolves won the 14s and 16s.

Marconi were in action again on Sunday against Sydney United and this time they did not lose a match. They won the 15s and drew the other three grades. Marconi 16s also surprised Parramatta Eagles mid-week, earning a point from a 0-0 draw. Sydney United took on Sutherland at Croatia Park on Saturday and took the early points with wins in both the 13s and 14s but Sutherland responded with victories in both the late games. United also had mid-week games in the 13s and 16s against Wollongong. They won the 13s but lost the vital 16s clash and subsequently missed the top four.

Leichhardt took on Manly at Lambert Park and they earned all twelve points from the relegated Dolphins, scoring thirteen goals in the process and conceding only one.

Southern Districts took seven points from the visiting Parramatta Eagles at Marconi Oval. Wins in the 14s and surprisingly in the 16s and a draw in the 13s gave them the points. The Eagles only real joy for the day came through a 1-0 win in the 15s.

# DIVISION ONE YOUTH LEAGUE

## Southern Tip Coasties to win Championship

Southern Branch have won the championship on the Combined Table by a mere two points from Central Coast and both have earned promotion to Super Youth League for 1999. St George finished ten points further back. AC United are another four points away and they do have four matches to play. Potentially, those games could provide twelve points for AC but they would also need to score twenty goals without reply to overhaul the Coasties. CSI Schofields will take the drop to Division Two along with Nepean Association.

Southern Branch won the 13s by three points from St George with Central Coast and Illawarra Lions filling the other two places.

St George have won the 14s by a comfortable four points with the runner-up being Central Coast. AC United may overtake Southern Branch for third place but it is certainly those four who will contest the semi finals.

**The 16s is a very interesting situation. Penrith Panthers are the current leaders but AC United are only a point behind them with a game in hand against Bonnyrigg (scheduled for Tuesday night).**

Goal difference was called upon to decide the 15s with Blacktown Association winning out from Illawarra Lions by fourteen goals. Central Coast are in third place but AC United can overtake them should they win their make-up game against Bonnyrigg on Tuesday evening. The White Eagles have an outside chance of making it but they would need to beat AC by 21 goals and that appears to be unlikely.

The 16s is a very interesting situation. Penrith Panthers are the current leaders but AC United are only a point behind them with a game in hand against Bonnyrigg (scheduled for Tuesday night).

Central Coast have finished third and Southern Branch are fourth. Those are the four teams which will contest the semi finals.

Last weekend saw a frantic series of matches as the clubs caught up with matches from Rounds 14, 21, 23 and 25. All of these matches were important for one reason or another.

Bonnyrigg White Eagles took 8 points from Canterbury at the Serbian Centre on Saturday through wins in the 13s and 15s plus draws in the other two grades. Then Bonnyrigg fronted up on Sunday against Central Coast to again win the 13s and 15s. This time though the Coasties got square with victories in the 14s and 16s.

Central Coast was also involved in the "big one" as they clashed with promotion rivals St George at St George Stadium. The Coasties won the first three matches on the day to earn nine essential points while Saints could only manage a win in the 16s. St George had picked up points from other catch up matches - six from the 13s and 14s matches against AC United but only one from the 15s and 16s matches against Canterbury (a 2-2 draw in the 15s and 1-2 loss in the 16s.)

Bankstown Association played against CSI Schofields at Neville Reserve but they could only managed four points from the relegation bound visitors. CSI won the 13s and 14s and got a 1-1 draw in the 16s. Bankstown won the 15s 2-0. CSI also played on Sunday against Illawarra Lions and they collected four points this time through a win in the 13s and a draw in the 14s.

Relegated Nepean had three matches to play against Southern Branch and while they picked up a draw in the 14s, they lost the other two matches. And if that wasn't bad enough for them, they also played against Bankstown and lost all twelve points at Birrong Park.

AC United picked up ten points from their matches against Rockdale City Suns. They won the three early games and then drew the 16s.

Ryde City started well enough against Penrith Panthers at Weir Reserve with a win in the 13s. But then the Panthers took control and won the next three games.

# DIVISION TWO YOUTH LEAGUE - THE SEMI FINALS -

## GRADE 13

The major semi final was won by Hills United by the very comfortable but surprisingly high score of 5-1. That result puts Hills into the Grand Final on Saturday and Macquarie will now need to play the Final on Wednesday night.

In the minor semi final Stanmore Hawks won 2-0 over Ku-Ring-Gai Association. That means that Ku-Ring-Gai have been eliminated and the Hawks will now meet Macquarie Sports at Popondetta Park on Wednesday.

## GRADE 14

Hills eventually won the major semi final by a single goal but not before Stanmore Hawks had forced them into extra time after a goal-less match. Hills go straight to the Lambert Park Grand Final on Saturday while the Hawks will need to play at Popondetta Park on Wednesday.

The minor semi final also went into extra time when Ku-Ring-Gai and Mt Pritchard scored a goal apiece in normal time. The Mounties scored the all important winner and will now meet Stanmore on Wednesday, while Ku-Ring-Gai have been eliminated.

## GRADE 15

A penalty shootout was required in the major semi final to settle the issue between Stanmore Hawks and Hills United. The teams were locked together at 2-2 at the end of normal time and then neither team could add a goal during extra time. Stanmore won out on the day, scoring 5 penalties to Hills 4. Hills have a chance to make it three Grand Finalists for the club when they play on Wednesday.

And there was still more extra time required in the minor semi final between Hadjuk Wanderers and Mt Pritchard when the score was 1-1 at the final whistle. The Wanderers scored the additional goal to earn the right to meet Hills on Wednesday.

## GRADE 16

The results in this grade were more clear cut. Mt Pritchard have gained a place in the Grand Final with a 5-1 win in the major semi final against Stanmore Hawks who will now be required on Wednesday.

In the minor semi final Hadjuk Wanderers eliminated Parramatta City by the score line of 3-1 and they will meet Stanmore mid-week.

## FULL TIME

As this is the final Super Soccer for 1998 it is timely to wish all the teams participating in the Finals Series the very best of luck and I hope you will enjoy the experience. To all the other teams, all I can say is that I hope you will have a more successful season in 1999.

My sincere thanks go to a great many people. Firstly, to David Cooper for offering me the opportunity to write these columns for this season. And to Graham Crawhall and Rod Woods at the NSW Soccer Federation for the considerable help they have provided throughout this very wet season. I must also thank the Youth League Convenors who have been helpful, patient and understanding all season. And the coaches and managers who have provided information to help this column along.

Finally, a special word for the players. Thank you all for providing top quality soccer through the application of your skill, passion and commitment. Keep up the good work and always strive to be the best player you can possibly be.
